

Airpark Cahors

Maison example 3

If you are looking for a spacious house with a lot of possibilities, than this house will be your first choice! Not only it has a lot of space, you will have your own garage and hangar. Of course there is also a swimming pool and you can even have a pool house and pavilion for your guests. This example villa has 4 bedrooms and 2 bathrooms. The master bedroom is spacious, en-suite with a large dressing. Total surface is 273,57 m². In the pavilion you will find two bedrooms with their own bathrooms.

In the garage you will have room for two cars and the hangar is 225 m² with a door of 14 m wide.

On the ground floor you will find the entrance, hall, living room, kitchen and utility rooms. The master bedroom is found on one side of the house, the other bedrooms on the other side. This ensures privacy for you and the rest of your family. In the tower you will find an extra room, e.g. to be used as a study.

The estimated total costs of a villa of this type will be € 1.125.000,- including all taxes. This includes:

- The land (about 4500 m²)
- Outside works, connection to electricity, water and telephone line
- Swimming pool
- Garage and hangar
- Connection to taxiway and access to the runway
- The villa as described above
- The pool house and pavilion

Prices are an indication and depend on size and finishing
